

[NOTE. The following INDEX to Vol. iv. of the EAST ANGLIAN, has been compiled from two completed Indices prepared respectively by Mr. F. Grigson and Mr. T. R. Tallack for their private use, and generously placed by them at my disposal as Editor of the New Series. It is here offered (with Title Page) to Subscribers, in compliance with a promise made on the introduction of the New Series, and in the hope of rendering the incomplete fourth volume of the late Mr. Tymm's publication more generally useful.—
